

What's Chirping on Tweet Street?

The Indiana Chamber has over 16,500 Twitter followers. Are you on the list?

@IndianaChamber

@AnnCompton offered valuable perspective at #INLD17: "(Presidents) are measured by the crises they face." Summary: <http://ow.ly/sRUc309XWNG>

Happy birthday to Peyton Manning! Our members look forward to hearing him speak at our Annual Awards Dinner in Nov. <http://ow.ly/8HCZ30aesUr>

Our VP Mike Ripley: Why we need to reduce smoking costs in Indiana <http://ow.ly/AIHd30a7fR5> (via @IndyPoliticsOrg) #HealthierIndiana

Bumpy road for road funding in the Senate? We continue to advocate for a sensible solution <http://ow.ly/cVJT30a6WpU> #INLegis

Indy/Carmel/Anderson region among top 5 in country for #tech jobs, according to @Forbes

Disrupt & energize Indiana's economy at #IoT Civic Hackathon, presented by @ATTIndiana April 21-22 <http://ow.ly/K4r9309WvEG> #IoT Civic Hack

What others are saying to – or about – the Indiana Chamber:

@TechPointInd: Tech is part of HB 1001 - @IndianaChamber keeping us informed and pushing tech leaders to understand and support policy #IBJTECH

@Jason_TRI: Insightful dinner talk by @AnnCompton this evening. Thanks to the @IndianaChamber for a great night w/ amazing Indiana leaders.

@AttyAbdul: My chat with @AnnCompton formerly with @ABC. She spoke with the @IndianaChamber this week. indypolitics.org/2017/03/18/a-c.

@WIBC_EricBerman: @IndianaChamber: we disagree with changes to #superintendent bill, but understand it's only way to get bill passed this session.

@Eric_Halvorson: Hey, @TheSeanCopeland, I just read the @IndianaChamber article about you and "You Can. Go Back." Role model!

@justingroenert: Kevin Brinegar of the @IndianaChamber discussing their priorities. They are a great partner. @SWINChamber #swindash17

We get the highest quality IT professionals, welcome them like family, connect them with opportunities, and let them do what they do best:

Produce innovative solutions to technology problems.

And sometimes, we build houses.

Concentrated on Technology. Focused on Results.
